

**A special brakes and clutch degreasing product.
Reserved for professional use.**

ADVANTAGES

Specially formulated for cleaning brakes and clutches.
Excellent solvent for brake fluids, oils, sludge, incrustated dust and metal part residues.
Restores clutch disc lining adhesion on the flywheel.
Boosts braking system performances by removing dust which can alter brake operation, thereby eliminating any squeaking or chirping noise in the braking system.
Does not require dismantling of the braking system.
Rapid and effective action.
Does not leave any residue.

USES

Surface preparation. Cleaning discs, brake pads, brake drums, clutch discs, callipers, linings, shoes, cylinders, supports, etc.

The aerosol cans must be used within one year of delivery for optimum use; returns will not be accepted after this time.
