

A silicone-free aerosol.

Restores an original shine and sparkle to dashboards, bumpers and fairings.

Reserved for professional use.

#### USES

Restores an original shine and sparkle to interior and exterior plastics and synthetic materials on any vehicle.

Particularly tailored to dashboards, bumpers, door rubber parts, paintwork, varnish and fairings on motorbikes, scooters, jet skis, etc.

Leaves an anti-static, anti-dust and hydrophobic protective film which repels water.

Silicone-free, and so can be used even near paintwork.

#### CHARACTERISTICS:

A wax-based milky-white liquid, rinsable with water.

A film resistant to weld spatter adhesion.

A non-inflammable and non-harmful preparation. Free from chlorinated or petroleum solvents.

Contains corrosion inhibitors, preventing rust formation after use.

Odourless, and emission-free.

Safe product. 70% biodegradable.

Highly cold-sensitive: **PROTECT FROM FREEZING.**

Net volume = 97% active ingredient.

Non-inflammable propellant gas.

#### INSTRUCTIONS FOR USE

Shake the aerosol can before use.

Spray onto the surfaces to be treated.

Leave to act for a few moments.

Wipe off with a clean lint-free cloth.

Inflammable propellant gas: Do not spray onto a flame or heat source.

Read the precautions for use on the box carefully.

Do not use the product for any purpose other than that for which it was intended.

#### PACKAGING

500 ml container.

**The aerosol cans must be used within one year of delivery for optimum use; returns will not be accepted after this time.**
