

SOUDNET (Aerosol)

An aerosol formulation free from methylene chloride. Silicone-free preparation. Reserved for professional use

DESCRIPTION

A wax-based milky-white liquid, rinsable with water.

A film resistant to weld spatter adhesion.

A non-inflammable and non-harmful preparation. Free from chlorinated or petroleum solvents.

Contains corrosion inhibitors, preventing rust formation after use.

Odourless, and emission-free.

Safe product. 70% biodegradable.

Highly cold-sensitive: **PROTECT FROM FREEZING**.

Net volume = 97% active ingredient.

Non-inflammable propellant gas.

USES

Anti-sparking protection.

Strong anti-adhesion properties against spatter occurring during welding operations.

Protecting the internal and external parts of welding nozzles.

After solvent evaporation, the film remains effective over time.

INSTRUCTIONS FOR USE

Shake the can well before use.

Spray on at 20 cm from the parts to be treated.

Apply a thin film.

The best results are obtained by avoiding excessive concentration of the product in one spot.

Easily eliminated with water using a cloth or sponge.

PRECAUTIONS FOR USE

Pressurised container.

Protect from sunlight, and do not expose to temperatures above 50°C.

Do not pierce or burn, even after use.

Do not spray over a flame or incandescent object. Keep well away from any flames, or spark or ignition sources.

Do not smoke. Keep out of the reach of children.

Store in a frost-free place.

SOUDNET (Aerosol)

Do not use the product for any purpose other than that for which it was intended. The safety data sheet is available on request for professionals.

The aerosol cans must be used within one year of delivery for optimum use; returns will not be accepted after this time.

The characteristics are given purely for information and are consistent with our current production standards. IGOL reserves the right to modify them, in order to pass on technical developments to its customers. Before using this product, you should consult the instructions for use and the environmental impact shown on the technical and safety data sheets. The information given above is based on the current state of our knowledge of the product in question. The product user should take all relevant precautions relating to its use. Under no circumstances may IGOL be held liable for damages resulting from misuse.
