

Latest generation lubricant for Automatic gearboxes

ADVANTAGES

IGOL ATF MULTI FE ULV is specially formulated for the most recent automatic transmissions that require an Ultra-Low Viscosity (ULV) fluid.

Its combination of specific additives and high-quality base oils, partly Polyalphaolefin (PAO), gives it extraordinary performance.

SPECIFICATION AND USES

This product, which is the result of the most recent studies in our **IGOL R&D** laboratory, meets the requirements of many manufacturers and their latest automatic transmission technologies (7 - 8 - 9 - 10 Speeds)

List of manufacturers, specifications and performance levels as well as gearbox types available on Page 2.

CAUTION: Due to its ultra-low viscosity, **ATF MULTI FE ULV** is not compatible with older generation Automatic Gearboxes. Always check compatibility.

PHYSICO-CHEMICAL CHARACTERISTICS

| Characteristic | Method | Unit | Typical Values |
|------------------------------|------------|--------------------|----------------|
| Colour | - | - | Blue |
| Density at 20°C | ASTM D4052 | g/cm ³ | 0,838 |
| Kinematic viscosity at 40°C | ASTM D7042 | mm ² /s | 18.1 |
| Kinematic viscosity at 100°C | ASTM D7042 | mm ² /s | 4.3 |
| Viscosity index | ASTM D2270 | - | 150 |
| Pour point | ASTM D97 | °C | - 59 |
| COC flash point | ASTM D92 | °C | 200 |

Technical data sheet

| ATF MULTI FE ULV Specifications and Applications | | |
|--------------------------------------------------------|----------------------------|-------------------------------|
| Manufacturers | Standards | Gearbox type |
| FORD | MERCON ULV WSS-M2C949-A | Ford 10R80 |
| GENERAL MOTORS | DEXRON ULV GM 19352619 | GM 10L90 |
| MERCEDES | MB 236.15 MB 236.17 | 7G-Tronic 9G-Tronic |
| PEUGEOT CITROEN DS OPEL FIAT ALFA ROMEO | ATF AW-2 | EAT8 |
| VOLKSWAGEN AG AUDI SEAT SKODA | VW G 053 001 | Automatic Gearbox 8 speeds |

Note: Before use, always check the manufacturer's recommendations in the maintenance manual.

The characteristics are given purely for information and are consistent with our current production standards. IGOL reserves the right to modify them, in order to pass on technical developments to its customers. Before using this product, you should consult the instructions for use and the environmental impacts shown on the technical and safety data sheets. The information given above is based on the current state of our knowledge of the product in question. The product user should take all relevant precautions relating to its use. Under no circumstances may IGOL be held liable for damages resulting from misuse.
